# Greta Garbo

Greta Garbo was everyone's idea of the perfect film star. The daughter of a poor worker in Stockholm, Sweden, she conquered Hollywood in the 1920s and 1930s. Her audiences adored her, but at the height of her career, she retired, did not want social contact and never showed her face in public again. Yet this most celebrated actor received no Oscars, only a special award for her unforgettable films.
